

Internship Certificate

This is to certify appreciation of Kinjal's contribution and dedication to Chi SquareX Technologies as a Machine Learning Engineer from (1/3/2021) to (1/6/2022).

He has contributed to and been a part of several projects like

- Bank Nifty prediction from CEOs press conferences using Multi-Model Analysis.
- Big Data processing, using AWS.
- Korean Phishing Text Classification using different Deep Learning Models.

During the course of this internship, Kinjal Sensharma has shown a genuine willingness to learn and zeal to take on new assignments.

We wish him all the very best for the future.

With Regards,

For Chi SquareX Technologies,
